KLOR: THE LAST OF THE GIANT AMOEBAS

When Naiad inherited a haunted mansion from her Aunt Nandi Bear, she had no idea it would soon be filled with a team of superheroes and aliens from all over the galaxy. Around the back of the Mansion is the Nandi Bear Mercantile, where all the people of the small village where they live can stock up on the interesting products they carry. Running their own shop has been a dream of Naiad and Dorriss' for a long time, and they finally made it come true. Today is opening day, and unfortunately they are missing it. Superhero business comes first. Luckily she left four of the Nandi Bear Tenants behind to take care of things...

You know Rick, you aren't actually our boss or anything.

Plus there's no real work to do right now except wait for customers.

While Naiad, Dorriss and Pattee are away at Forclune's Space Station, and Stensor is off on his mission. I think I am the obvious choice for a manager.

Why you?

I am the biggest, Klor.

Being the biggest doesn't mean you are the most qualified!

Plus you're a ghostly head, you could probably make yourself any size you want.

Could you? Like make yourself any size you want?

Give it a try. Try to make yourself really small.

I suppose, Oliver.

Okay but just as an experiment. I'm still the most qualified ghost for the manger position.

SHOOM

Like magic, Rick the Head shrinks himself to the size of a lemon!

INVOICE

You're much less intimidating like this. I like it.

Open

Hi there, I read about your shop in the paper, I was looking to get a few things.

Our first customer!

Hey! Let me out!

You came to the right place! I'm Oliver, this is Klor, and that grizzled looking display is Veltrax. What can we get for you?

CASH

It's lovely to meet you, I'm Rose. But, it looks like your store is basically empty!

THE NANDI BEAR MERCANTILE

Who you callin' grizzled, cat??

Meanwhile far above the Earth the rest of our heroes are in Forclune's top secret space station...

When Rick the Head said there was an emergency and we needed to see you, I had no idea it would be something like this!

NAIAD BEAR: HALF HUMAN, HALF BEAR

DORRISS DOOM: WARLOCK SUPER CAT

Can you give us a little more information?

Well, there is no way to tell if there actually is something devious afoot, but we know for sure that the three known gateways to the Peanut Butter Dimension have closed up.

FORCLUNE: TALKING ARMED SNAKE FROM ANOTHER DIMENSION

Forclune, is there any way this could have happened naturally?

PATTEE: THE MOST POWERFUL PSYCHIC CAT IN THE GALAXY

We can't know for sure, Pattee, not even with the high tech equipment I have in my space station.

It doesn't sound good, and my brother, Galaxy Peanut Butter Bear is now trapped there, we have no way of contacting him or anyone in the Peanut Butter Dimension.

Isn't there anything we can do? We can't just be helpless.

Other than those three portals that lead to the Peanut Butter Dimension, I have never heard of any other way to travel there.

I have heard stories of a being on Earth who possesses the power of inter-dimensional travel. I have no idea if it's true or not.

Who is it? I can look them up on my high tech computer.

Captain Trash.

Captain Trash? I've heard about him, I think Stensor has met him before or something.

There are strange rumours about him in the cat community...

Okay, according to my search results, his powers are unknown. It does mention the trans-dimensional rumour however. He lives in Calgary Alberta Canada.

Sounds like he's a bit of a weird hermit. Can I take one of your shuttles down to Earth to talk to him?

Certainly. There is a communicator built into the flight suit you can use to keep in contact with us in case of trouble.

Me and Naiad will stay here and continue to research different options regarding inter-dimensional travel.

Sounds excellent, wish me luck.

We need to find a way Dorriss. My brother is stuck out there and we have no idea what might be happening!

Soon Dorriss Doom blasts off in search of the mysterious Captain Trash

SHOOOM!

Computer, automatic navigation to Calgary Alberta Canada. Track Captain Trash.

CAPTAIN TRASH LOCATED. ESTIMATED ARRIVAL IN 35 MINUTES.

I sure hope this guy has the fancy powers we need. And that he's willing to help us!

MEANWHILE BACK AT NANDI BEAR MERCANTILE...

Our store isn't empty!

Look over there.

Yeah, we keep all the stock in the back.

Mostly in my bedroom.

Sorry about that. I don't know why Dorriss put it in there.

I do.

Guys, not right now, we have a customer.

I still don't get it.

SALE

You go over to the catalogue, find what you want to buy, write down the product number on the little slip of paper we have provided and bring the little slip of paper to one of us.

And then we go get you the items you want!

That seems like an awful lot of trouble.

It's an excellent system actually. Google "Consumers Distributing."

Okay, hang on.

1 New Message

Oh no..

What's wrong?

Are you okay?

Meanwhile, Dorriss Doom has landed on Earth and has located where Captain Trash should be...

These are the correct coordinates the computer gave me...

Maybe in here? After all his name is Captain Trash.

Bingo!

Dorriss Doom! I was expecting you.

Me? But how did you know I was coming?

I have many unusual powers. Now tell me Dorriss, what can I do for you?

I love how you have decorated your secret lair as an unfinished basement with nothing but an old sofa and a stereo.

And a coffee table. The coffee table is very important.

Yes, and a coffee table.

Blaine! Don't forget to take out the garbage before dinner!

Yes mum!

You see the real magic of my decor is that it is actually just the basement in my mum's house.

Fancy.

Now Dorriss Doom, tell me why you have sought me out.

You see Captain Trash, You say you have many unusual powers. I was hoping that a rumour I heard was true and you had the power of inter-dimensional travel!

So you heard about that did you?

Yes.. I did. It is very important that you help us right away. Life or death!

Well Dorriss, I'll level with you, since you are a close personal friend.

We just met!

Regardless, the truth is I only have the power to psychically communicate with and detect animals. It helps me to save street cats from uncomfortable situations.

Oh...

well..

That's really cool of you, but unfortunate for my situation...

I'm sorry I can't be of more help.

Come to think of it, you could be helpful!

Really? How?

If we do find a way to travel to the Peanut Butter Dimension, then we will need to find Galaxy Peanut Butter Bear.

I could track a bear. It would be no problem. I just prefer cats.

Understandable.

Ah, Baby Chi, I would like you to meet Dorriss Doom. What news do you have?

Big news I'm afraid. Maybe the biggest case we've ever tackled Captain Trash, but here's the scoop: Ramsaurus has landed on Earth.

Ramsaurus? I've heard about him. Isn't he a giant Dinosaur from the planet Pluto?

Yes, and he has already stolen the world's largest ball of twine from Cawker City, Kansas.

That's odd.

He has also stolen the world's largest hairball from Garden City, Kansas!

Kansas boy hey?

He was last seen headed towards Pike's Peak.

The mountain? This is really weird.

Well I specialize in danger! I've got my space ship outside near the alley. We can be there in no time.

Thanks, Dorriss. Just let me take out my mum's garbage and we will be on our way!

But it is our business because my friend Captain Trash specializes in animals.

Beauty Writer Tells How To

CLEAR UP PIMPLES AND BLACKHEADS BY SATURDAY NIGHT*

Skin Specialists Report On Amazing New Medical Discovery For Pimples, Blackheads, Whiteheads And Other Blemishes! *By Starting Seven Days Beforehand You May Have a Clear Blemish-Free Complexion For Saturday Night Or Your Money Back!

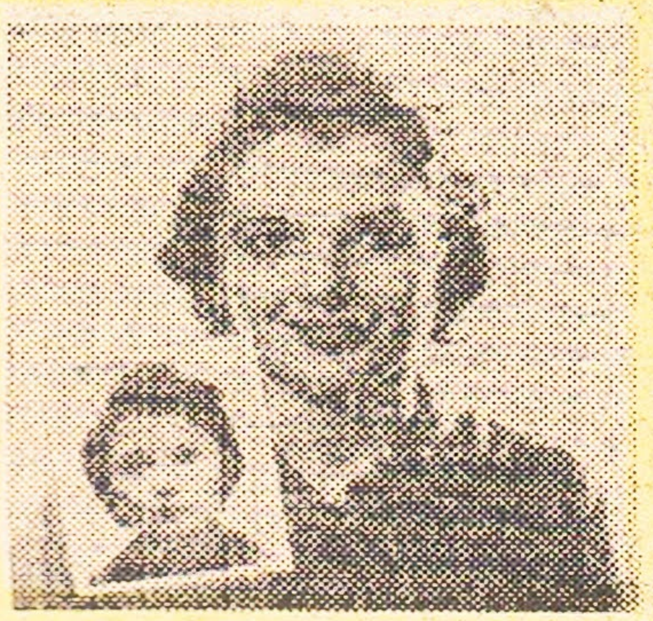
by Jennifer Turner

Here is the most exciting news you've ever read if you're embarrassed by pimples, blackheads or other blemishes. No longer need anybody miss out on fun and excitement... romance...popularity...dates...even social and business success...because their faces are clouded by blemishes.

Medical science has made amazing advances during the past years. It has found out how to cure many of our most serious diseases. Now there is a new discovery that clears up pimples, blackheads and other blemishes . . . even in cases where everything else has failed.

Any doctor will tell you that to be clear and blemish-free, the skin on your face must be free from germs and dirt. But today's air is full of soot and fine dust particles that settle on your face and get into your open pores. These impurities can make your pores larger. Blackheads begin to form. When these become infected you suffer the embarrassment of pimples and other blemishes and neglecting your face. Doing nothing about these conditions, only makes your skin troubles worse.

Now, thanks to a scientist's remarkable discovery, you can end forever your embarrassment of an ugly, blemish marked face and restore the confidence you have when your complexion is clear. The name of this discovery is Clorpactin WCS-50. They use it in hospitals to clear up blemishes. All you do is rub the solution on your face. Where you have blemishes, spots, lines or shadows, rub a little harder. As you apply the clear solution to your face it immediately starts to penetrate through your tiny skin openings. You feel nothing except a cool, pleasant sensation. No messy cream . . . no thick pastes . . . nothing unpleasant of any kind. The solution actually seeps down inside your pores, no matter how caked and clogged they are. It helps loosen the dirt, the powder, the soot that has collected. Gently it helps tighten your pores. This starts to slowly force out the matter collected there. What's more, as soon as you apply the solution to your face it instantly kills every trace of skin bacteria and germs on the surface. Even more important, as it seeps down into your pores it also kills germs and bacteria *underneath your skin surface*. If you have pimples it destroys the germs inside that keep them alive so the pimples can dry up.



A NEW FACE FOR YOUR NEXT PARTY
Don't be embarrassed by an unattractive complexion when medical science has now perfected an amazing new way to "deactivate" pimples and blackheads. Read this carefully!

Any complexion marred by blemishes caused by germs and bacteria must be helped. Teenagers who have tried everything for pimples will see their faces start to clear within 5 days. Hospital tests have proved that blackheads, pimples, and acne which responded to no other treatment cleared up after CLEAROXIN was used. After you've applied the CLEAROXIN solution, dry your face. You'll feel a pleasant, cool, tingling sensation for a few minutes as the solution works. Then apply the remarkable flesh colored medicated cream that comes with it. It protects your skin between applications of the solution. It destroys germs . . . prevents more germs from doing damage. Unlike most creams that permit your blemishes, shadows, dark spots to show through, this cream covers them completely. It blends perfectly with skin tones. Your embarrassment and humiliation stop instantly when you apply it.

You can go to work . . . to a dance . . . a date . . . with new self confidence. And while the cream is concealing your blemishes . . . remember, the CLEAROXIN solution works underneath and your pimples, blackheads and other blemishes start to clear up within 5 days. In 7 days they should be gone completely. This simple, easy, pleasant treatment once a day of the CLEAROXIN solution plus the cream has worked for so many other people, it stands to reason it will work for you. The solution has already been written up in medical journals.

Your druggist can get CLEAROXIN for you. The cost is only $1.25 for the regular size and only $1.95 for the large size . . . only a few cents a day to get rid of skin blemishes! Or just mail $1.25 or $1.95 with your name and address to Jennifer Turner, Dept. DB-6 400 Madison Avenue, New York, N. Y.

CLEAROXIN will be mailed direct to your home. Sorry, no C.O.D's. After you have used CLEAROXIN if you are not delighted for any reason, your money will be immediately refunded. So don't needlessly suffer the embarrassment of skin blemishes when you don't have to. Remember CLEAROXIN with Clorpactin WCS-50 has cleared up blemishes in case after case, even when everything else failed. So don't fool with old fashioned products that simply "cover" your trouble. Make sure you use the new medical discovery that *really* works. Send for your CLEAROXIN treatment today.
